Placerville, CA 95667

Dear Greg:

Please let this letter serve as a formal note of appreciation on behalf of our company.

Our involvement in the Asbestos Encasement flooring market here in the tri-state area has afforded us an additional vehicle to enhance our sales volume by creating opportunities to increase our market share.

Your system has broadened our horizons and enforced a valid environmental story that works for us as a responsible flooring contractor.

As you know we have installed approximately 200,000 square feet of your system with out any problems and it has been a pleasure to work with your most professional staff.

I look forward to continuing our strong relationship going forward.

Regards,

Art Post  
Director Sales and Marketing
